CUSTOM INCENSE & INCENSE HOLDERS

A two-fold class - we'll begin by constructing incense holders out of air dry clay, with a few inspiration shapes provided for guests. After sculpture is over, we'll then create custom-infused incense using the essential oils of guests' choosing. Guests will take home their incense & incense holder to infuse & dry - and after a week, they'll be able to use them together, for total relaxation.

Kit Contains:

- Air dry clay
- Clay sculpting tools
- White paint * paint brush
- Unscented incense sticks
- Three essential oils
- Dropcloth for mess-free crafting

PRESSED FLOWER SOY CANDLES

IDEAL FOR VALENTINES, EARTH DAY, OR
MOTHERS DAY

PHOTO CREDIT TO HELLO NEST

These pressed flower candles take poured candles to another level. Using clear glass and wooden lids, guests will apply their choice of pressed flowers onto the candle vessel, before melting and pouring their wax. This creates a magical stained glass effect as the candle burns - if you can stand to burn it!

Kit Contains:

- Soy wax & cotton wick
- Glass candle vessel
- Wick bar for straight wicks
- Assorted pressed flowers
- Clear sealant & paint brush
- Candle pitcher & spoon
- Seasonal candle fragrance
- Analog thermometer
